

FOR EMMADALE

ALADDIN – That's what makes you beautiful by One Direction.

You're insecure, don't what for  
You're turning heads when you walk through the door,  
Don't need make-up,  
To cover up,  
Being the way that you are is enough,

Everyone else in the room can see it,  
Everyone else but you,

Baby you light up my world like nobody else,  
The way that you flip your hair gets me overwhelmed,  
But when you smile at the ground it ain't hard to tell,  
You don't know,  
Oh, oh,  
You don't know you're beautiful,

If only you saw what I can see,  
You'd understand why I want you so desperately,  
Right now I'm looking at you and I can't believe,  
You don't know,  
Oh, oh,  
You don't know you're beautiful,  
Oh, oh,  
That's what makes you beautiful

PRINCESS YASMIN – Girls just wanna have fun by Cindi Lauper.

I come home in the morning light  
My mother says when you gonna live your life right  
Oh mother dear we're not the fortunate ones  
And girls they wanna have fun  
Oh girls just want to have fun

The phone rings in the middle of the night  
My father yells what you gonna do with your life  
Oh daddy dear you know you're still number one  
But girls they wanna have fun  
Oh girls just want to have

That's all they really want  
Some fun  
When the working day is done  
Oh girls, they wanna have fun

GENIE OF THE LAMP – Shine by Take That.

You, you're such a big star to me  
You're everything I wanna be  
But you're stuck in a hole and I want you to get out  
I don't know what there is to see  
But I know it's time for you to leave  
We're all just pushing along  
Trying to figure it out, out, out.

All your anticipation pulls you down  
When you can have it all, you can have it all.

So come on, so come on, get it on  
Don't know what you're waiting for  
Your time is coming don't be late, hey hey  
So come on  
See the light on your face  
Let it shine  
Just let it shine  
Let it shine.

WIDOW TWANKEY – 9 to 5 by Dolly Parton.

Tumble outta bed and I stumble to the kitchen  
Pour myself a cup of ambition  
Yawn and stretch and try to come to life  
Jump in the shower and the blood starts pumpin'  
Out on the street the traffic starts jumpin'  
With folks like me on the job from 9 to 5

Workin' 9 to 5, what a way to make a livin'  
Barely gettin' by, it's all takin' and no givin'  
They just use your mind and they never give you credit  
It's enough to drive you crazy if you let it

9 to 5, for service and devotion  
You would think that I would deserve a fat promotion  
Want to move ahead but the boss won't seem to let me  
I swear sometimes that man is out to get me.

ABANAZER – Evil by Elvis Presley.

If you're looking for trouble  
You came to the right place  
If you're looking for trouble  
Just look right in my face  
I was born standing up  
And talking back  
My daddy was a green-eyed mountain jack

Because I'm evil, my middle name is misery  
Well I'm evil, so don't you mess around with me

I've never looked for trouble  
But I've never ran  
I don't take no orders  
From no kind of man  
I'm only made out  
Of flesh, blood and bone  
But if you're gonna start a rumble  
Don't you try it on alone

Because I'm evil, my middle name is misery  
Well I'm evil, so don't you mess around with me

ALL – With a little help from my friends

What would you do if I sang out of tune  
Would you stand up and walk out on me?  
Lend me your ears and I'll sing you a song  
And I'll try not to sing out of key

Oh, I get by with a little help from my friends  
Mm, I get high with a little help from my friends  
Mm, gonna try with a little help from my friends

What do I do when my love is away  
Does it worry you to be alone?  
How do I feel by the end of the day  
Are you sad because you're on your own?

Oh, I get by with a little help from my friends  
Mm, I get high with a little help from my friends  
Mm, gonna try with a little help from my friends
