

GENIE OF THE LAMP – Shine by Take That.

You, you're such a big star to me
You're everything I wanna be
But you're stuck in a hole and I want you to get out
I don't know what there is to see
But I know it's time for you to leave
We're all just pushing along
Trying to figure it out, out, out.

All your anticipation pulls you down
When you can have it all, you can have it all.

So come on, so come on, get it on
Don't know what you're waiting for
Your time is coming don't be late, hey hey
So come on
See the light on your face
Let it shine
Just let it shine
Let it shine.
