

So-Shy (Female adult/juvenile/young adult)

The Princess Yasmin's handmaiden. May be required to sing.

- Yasmin I do hope Aladdin managed to escape the guards.
- So-Shy Don't worry about Aladdin. If the stories I've heard about him are true, the guards won't stand a chance of catching up with him.
- Yasmin Do you really think so?
- So-Shy Forgive me for saying so but you do seem rather concerned about him. I mean he's only the son of a poor washer woman, he means nothing to a royal Princess like you.
- Yasmin How wrong you are, he means everything to me. I think I've fallen in love with him.
- So-Shy You've fallen in love with him? But how about your suitors? Prince Wong and Prince Chan not to mention Prince Leng - you know the attractive one?
- Yasmin Oh Prince Leng is very attractive and constantly looking in the mirror to remind himself how handsome he is. Besides I don't think it's really girls he's interested in.
- So-Shy Well what about Prince Po-kee then, the man your Mother is expecting you to marry? He's on his way to the palace now with a casket of jewels for you.
- Yasmin I don't care. He can keep his riches, if I can't marry Aladdin I'll die an old maid! For at last I have found true love.

SONG – With a little help from my friends

What would you do if I sang out of tune
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key

Oh, I get by with a little help from my friends
Mm, I get high with a little help from my friends
Mm, gonna try with a little help from my friends

What do I do when my love is away
Does it worry you to be alone?

How do I feel by the end of the day
Are you sad because you're on your own?

Oh, I get by with a little help from my friends
Mm, I get high with a little help from my friends
Mm, gonna try with a little help from my friends
