## Show Report

A pantomime loosely based on Alice in Wonderland and ideal for a large cast with opportunities for children to show their talent. The comedy was in the capable hands of the White Rabbit (Dean Patrick) with good support from the Duchess (David Waugh), the Mad Hatter & the March Hare (Mick Rowley & Claire Parker). There was an excellent characterisation from Carolynn Dickinson as the Cheshire Cat who also designed and made, with the help of the company, the excellent costumes. It is feature of this company that everyone helps with the making & painting of scenery & properties, the costumes and all the other jobs that are needed to produce a good show. They are to be commended for their efforts which produced a very good and funny show.
