I am delighted to say that again this year we have a few new faces in our production of 'Peter Pan' as well as some familiar to those who have supported us in previous years. As chairman I have been aware of the many hours of hard work and dedication which has gone into bringing this show to you. As you laugh, boo, applaud and respond to those on stage, don't forget the backstage team who now, hopefully unseen and unheard, have to tackle moving beds and chairs, rocks and boulders, putting up the mainsail and a story-pole as well as sorting out a beach and lagoon - and I can assure you all without performance enhancing drugs!

Thanks for your support and hope you enjoy yourself.

Edward Turner (Chairman)

Hi folks. Once again it's time to celebrate the long standing tradition of the Bramley Parish Panto. Check out our website and you'll find records of performances dating back to the 1920s with some fascinating photos. Many things have changed over the years. For example, sound & lighting technology is constantly improving. Also we now have DVD records of our performances in addition to photographs. However it is still very much a team effort by some dedicated and hardworking folk. We have had many families involved in our group over the years and still do. Here's a piece of family trivia for this year. Between two scenes in Act 2 you will hear the well known tune of 'Home Sweet Home'. The right 'off the peg' version couldn't be found so you will hear a special recording made by three generations of one of our families. Grandad Edward Turner, Mum Emma Smith and Grandson Joe Smith upholding the family tradition of our pantos. Thank you to all our supporters from those who support our cast and crew to those of you who are here tonight to watch our Panto. We couldn't do it without you so please sit back and enjoy. Many thanks.
