## A Message from the Director

**Welcome to Panto 2008!** Sleeping Beauty is a traditional pantomime which we hope you will enjoy. Once again you will see some very familiar faces plus some new ones and some very young ones! We are very encouraged to see so many young people taking an active interest in the production. We have watched some of them develop over the last few years into some very fine performers. As ever, the pantomime is very much a team effort from principals to scenery and costumes to making the tea. Every job is vitally important and much gratitude is owed to a dedicated and committed team who have put many, many hours work in to bring us to this point.

**Take a seat, relax and enjoy!!**

## A Message from the Chairman

**Welcome to the audience.** Thank you for coming to act your role as an essential part of the pantomime. Last year saw the death of one of our oldest audience members, Nora Cooke; on stage in pantomime here in Bramley in the 1920s and 30s and in the audience each year at St. Margaret's. She linked us with our history and roots as well as encouraging us to look to the future. Now for today. You will see some new faces on stage as well as the old familiar ones. The talent, commitment and enthusiasm of all involved - on stage and the many behind the scenes helpers - is phenomenal. After the many weeks of rehearsing to an empty hall we look forward to you playing your part so go ahead and **ENJOY!**
